## Memo

### AUSTINCODE DEPARTMENT

**To:** Mayor and Council  
**From:** Carl Smart, Director   
**Date:** September 23, 2015  
**Subject:** Update on Code Industry Summit Agenda

As you are aware, our Code Industry Summit kicks off next week. Our theme is "Code Transformation through Innovation," and we look forward to engaged discussions on best practices in the code compliance industry.

Because of the emphasis on best practices, we do not want any of our panels or the selection of any panelists to send any type of mixed message. Therefore, based on recent information that was brought to our attention regarding one of the prospective panelists on our October 1 agenda, we have removed that panelist from our lineup.

Again, please let me once again express my sincere desire that you join us at our summit, which will be held at the AT&T Conference Center on the University of Texas campus.

If you have any questions, or need additional information about the pilot, please contact me at 512.974.1970 or via email at [carl.smart@austintexas.gov](mailto:carl.smart@austintexas.gov).
